HELIA CINDERS

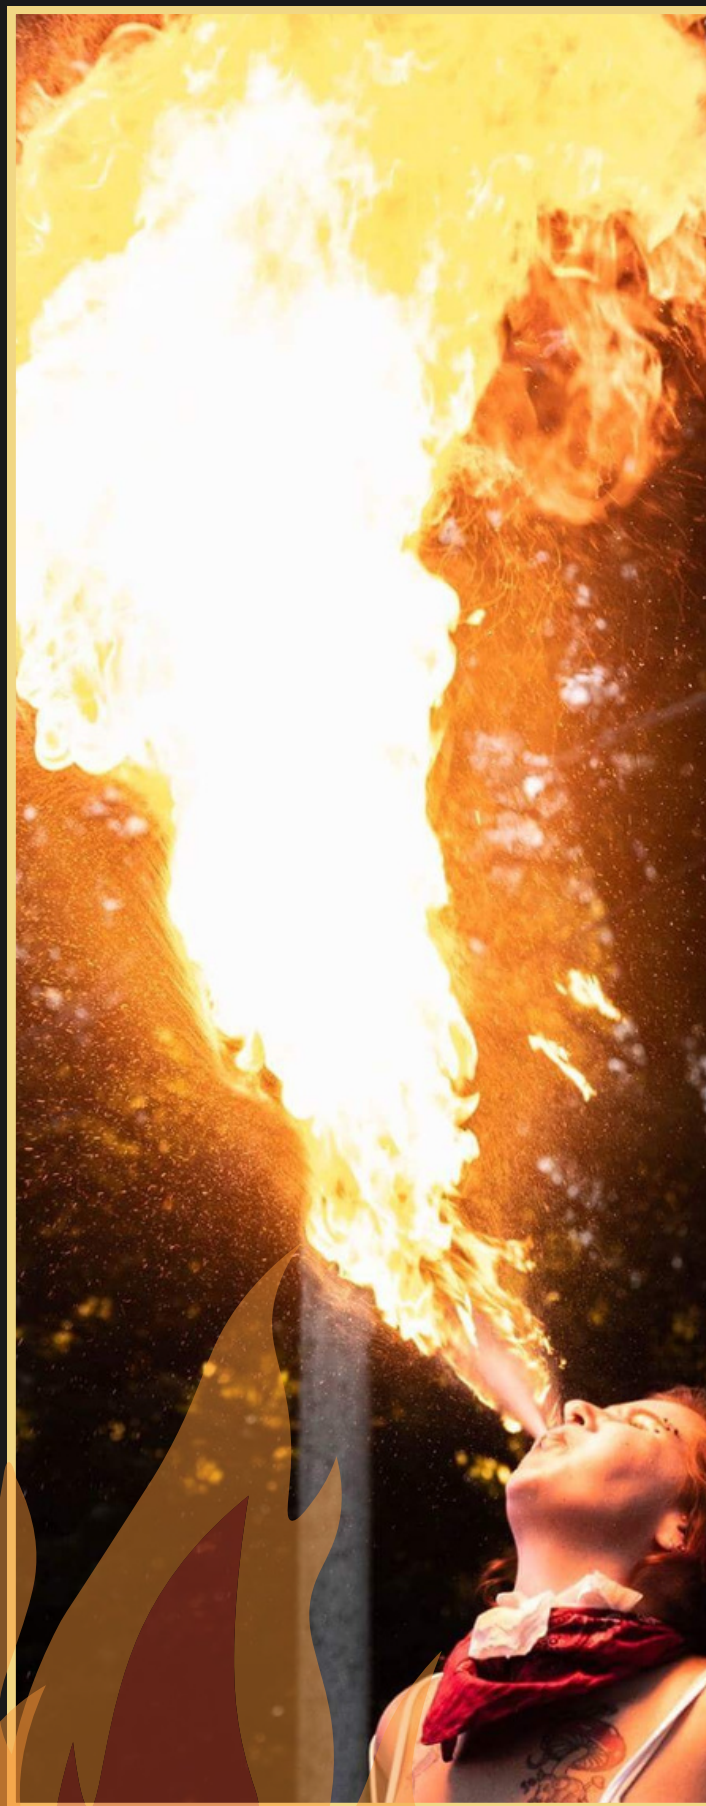

(AKA CINDER)
FIRE PERFORMER

Helia, previously part of two other fire troupes and over a decade of experience. She excels in Poi and is also skilled with Fans, Rope Dart, Hulahoop, Levi-Wand, Dragon staff, as well as fire eating and fire breathing. A seasoned Dungeons & Dragons storyteller for 7+ years, she seamlessly blends theatrical background and improvisation skills. Committed to safety, Helia is certified by the Flow Arts Institute.

CAITLYN WICKERSHAM

(AKA SCORCH)
FIRE SAFETY

Caitlyn has admired flow arts almost her entire life, starting her journey drumming at the monthly Chicago full moon fire jams. While Caitlyn is new to performing with fire herself, she has years of acting, and improv classes under her belt, as well as being a D&D Player herself, which encourages her to keep on her toes during in character interactions. Caitlyn is a budding fire costumer and makeup extraordinaire.

ROPE DART

With a combined 15 years experience in Dungeons & Dragons and many acting and improv workshops, Caitlyn and Helia have come together to form the Incendiary NPCs. Shortly after meeting, once upon a ren faire, these two started forming plans to create what is now known as the Incendiary NPCs. They are a two person fire troupe with many skills under their belts and strive to bring you the best in combustible entertainment!

While the troupe only formed in 2023, members had previously performed at Renaissance Faires, Anime Conventions, and other performances including at The Night Carnival in Milwaukee WI '17 and '18, over 5 appearances at Des Moines New Age Shoppe Psychic Fair, as well as over 30 private parties and festivals. If you are looking for fire performers for any type of faire, Show, Festival, or Event please contact us to discuss arrangements.

We really look forward to working with you.

This troupe offers a unique blend of both interactive quest-giving lane cast and main stage fire performance. They skillfully weave age and theme-appropriate quests into their performances. The troupe offers a few options. Specializing in fire performance and side quests. The lane walking and stage show can be performed alone or synchronized to run together.

SIDE QUESTING

Off-stage, in the lanes, Scorch and Cinder reward patrons for engaging with the rest of the event with prizes as they complete quests. The experience creates unique interactions with patrons, including coordination with vendors for quests to encourage patrons to travel throughout the faire and partake in shops or events that they might not think to try otherwise.

FIRE PERFORMANCE

On stage Scorch and Cinder perform a fire showcase with a variety of props; to inspire wonder and magic with fire breathing and enthralling storytelling. With 10+ years of fire experience, the show is forged in steel. With a playful attitude and some serious flames, they strive to be informative for the audience on the dangers and risks of this art form while also providing a thrilling experience that is designed to awe patrons, and keep them returning to the show time and time again.

ALONG WITH OUR STANDARD SHOWS, WE ARE WILLING TO MAKE ADAPTATIONS FOR SPECIFIC EVENTS, SUCH AS MAKING OUR QUEST LINES AND PRIZES FIT THE THEME OF THE EVENT. PLEASE CONTACT US TO SEE IF WE CAN ACCOMMODATE, THIS IS NOT AVAILABLE IN ALL SITUATIONS.
